ABOUT US

Established in 1987, Sunapal Ltd has grown into a trusted name in general merchandise, plant hire services for mining companies, and borehole drilling.

With a strong foundation in Ghana, we have earned a reputation for reliability, efficiency, and excellence in our industry. Sunapal International Ltd was founded to expand our reach beyond Ghana, handling overseas transactions, export trade, financing, and consultancy services. Operating out of Madagascar, we provide strategic business solutions, ensuring seamless international trade and financial services for our partners. Our commitment to quality and service has positioned us as industry leaders, earning us recognition such as the Best Drilling Company in the Volta Region of Ghana in 1998.
